## Notice of Bid Award

### RFP No. 11-2: OASIS Senior Center Fitness Equipment

January 15, 2010

The intent of this letter is to publicly announce the vendor selection for the project listed within City of Newport Beach Request for Proposal No. 11-2 (OASIS Senior Center Fitness Equipment). During careful review of all submitted proposals, the following factors were taken into consideration:

- The specific pieces of equipment being proposed and their applicability in a senior center;
- The total cost of the equipment being proposed;
- Vendor's past experience with furnishing senior fitness centers;
- On-site visits by OASIS and City staff to test the equipment;

After reviewing all submitted proposals, it has been decided that **Technogym** shall be the selected vendor for this project.

I would like to thank all those firms that submitted proposals for this project, and those firms will be contacted for pricing opportunities on similar projects in the future.

With Regards,

Anthony Nguyen
